

*Making a world of difference
through swazi gourmet food*

30 January 2014

Dear Readers,

ESWATINI KITCHEN PRODUCTS AVAILABLE IN THE NETHERLANDS

Eswatini Kitchen is proud to have partnered with Cerro Azul Foods to again make available its products to the wonderful people of the Netherlands.

The Netherlands is an extremely important market for Eswatini Kitchen and our partnership with Cerro Azul presents us with the opportunity to bring Orange Marmalade, Pineapple Jam, Mixed Fruit Chutney, Mango Chutney and Medium Curry Sauce to the many world shops that first supported our vision of empowering smallholder producers.

On behalf of the Management and staff of Eswatini Kitchen, I wish Cerro Azul the best of luck and hope that the introduction of the products will be a great success.

Best Regards,

*Musa Hlatshwayo
General Manager
